

Our philosophy on wine at the Bound'ry, is that it should be enjoyed. That's it! Our guests should drink what they like. There is no pretentiousness in how we view wine. We have selected over 250 wines that encompass different regions, varietals, and flavor profiles so that every guest can find the perfect wine for that evening. We look for great value and great wine makers. We don't quote scores because frankly, we let our wines speak for themselves. We offer a great selection of half bottles as well, allowing our guests multiple pairing options. If you would like some assistance in selecting a wine, please ask me or one of our knowledgeable servers for guidance. Celebrating is about enjoying great wine and food with special friends. Wine enhances the dining experience. So, pop a cork and enjoy a great bottle with our fabulous food served by our friendly and knowledgeable service team.

Salud,
